(“SilverBow Resources” or the “Company”) in fulfilling its responsibilities with respect to oversight in monitoring (i) the integrity of the financial statements of the Company; (ii) SilverBow Resources’ compliance with legal and regulatory requirements; (iii) the independent auditors’ selection, qualifications and independence; and (iv) the performance of SilverBow Resources’ internal audit function and independent auditors.

The Committee shall also be responsible for producing the report required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement.

Membership, Structure and Operations

The Committee shall be comprised of three or more non-employee directors, each of whom is determined by the Board to be “independent” and meet the applicable financial literacy and experience requirements under the rules or listing standards established by the New York Stock Exchange, Inc. (“NYSE”) and the applicable rules promulgated by the SEC under the Securities Exchange Act of 1934, all as may be amended from time to time. At least one member of the Committee shall be a person who the Board determines is an “audit committee financial expert” as defined by the rules and regulations of the SEC. The members of the Committee shall be appointed by the Board, upon recommendation of the Nominating and Strategy Committee, for one-year terms, or until their successors are duly appointed and qualified. Notwithstanding the foregoing membership requirements, no action of the Committee shall be invalid by reason of any such requirement not being met at the time such action is taken.

The Board shall designate the Chairman of the Committee; provided that if the Board does not designate a Chairman, the members of the Committee, by majority vote, may designate one of the members of the Committee to serve as Chairman until the Board designates a Chairman, upon recommendation by the Nominating and Strategy Committee. All actions of the Committee will require the vote of a majority of its members present at a meeting of the Committee at which a quorum is present. The presence in person or by telephone of a majority of the Committee’s members shall constitute a

quorum for any meeting of the Committee. The Board may remove any Committee member at any time.

The Committee shall meet at least quarterly or more frequently as it deems necessary, advisable or as circumstances dictate, and shall report regularly to the Board. The Committee shall periodically meet separately with the Company's management, internal auditors and with the independent auditors to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee shall meet quarterly with the independent auditors and management to review the Corporation's financial statements in a manner consistent with the Committee's responsibilities and duties set forth in this Charter. Meetings may be called by the Chairman of the Committee, Chairman of the Board or Chief Executive Officer of the Company. The Committee may delegate its authority to subcommittees constituted by a member or members of the Committee, provided that a report on any activities or actions is presented to the full committee at its next scheduled meeting.

Special Limitation

If a Committee member simultaneously serves on the audit committee of more than three public companies, including the Company's, the Board must determine that such simultaneous service would not impair such member's ability to serve effectively on this Committee and such determination must be disclosed in the Company's annual proxy statement.
